

Il progetto MEDNET

Taranto

15 Maggio 2015

Autorità Portuale di Taranto

MEDNET

SEAMLESS LOGISTICS

P R O J E C T

Project cofinanced by the
European Regional Development Fund

Obiettivi strategici

Realizzare una rete di Autorità Portuali ed esperti del trasporti nell'area del Mediterraneo per lo scambio di differenti esperienze relative alle procedure portuali e doganali, inclusa la semplificazione dello sdoganamento delle navi e merci

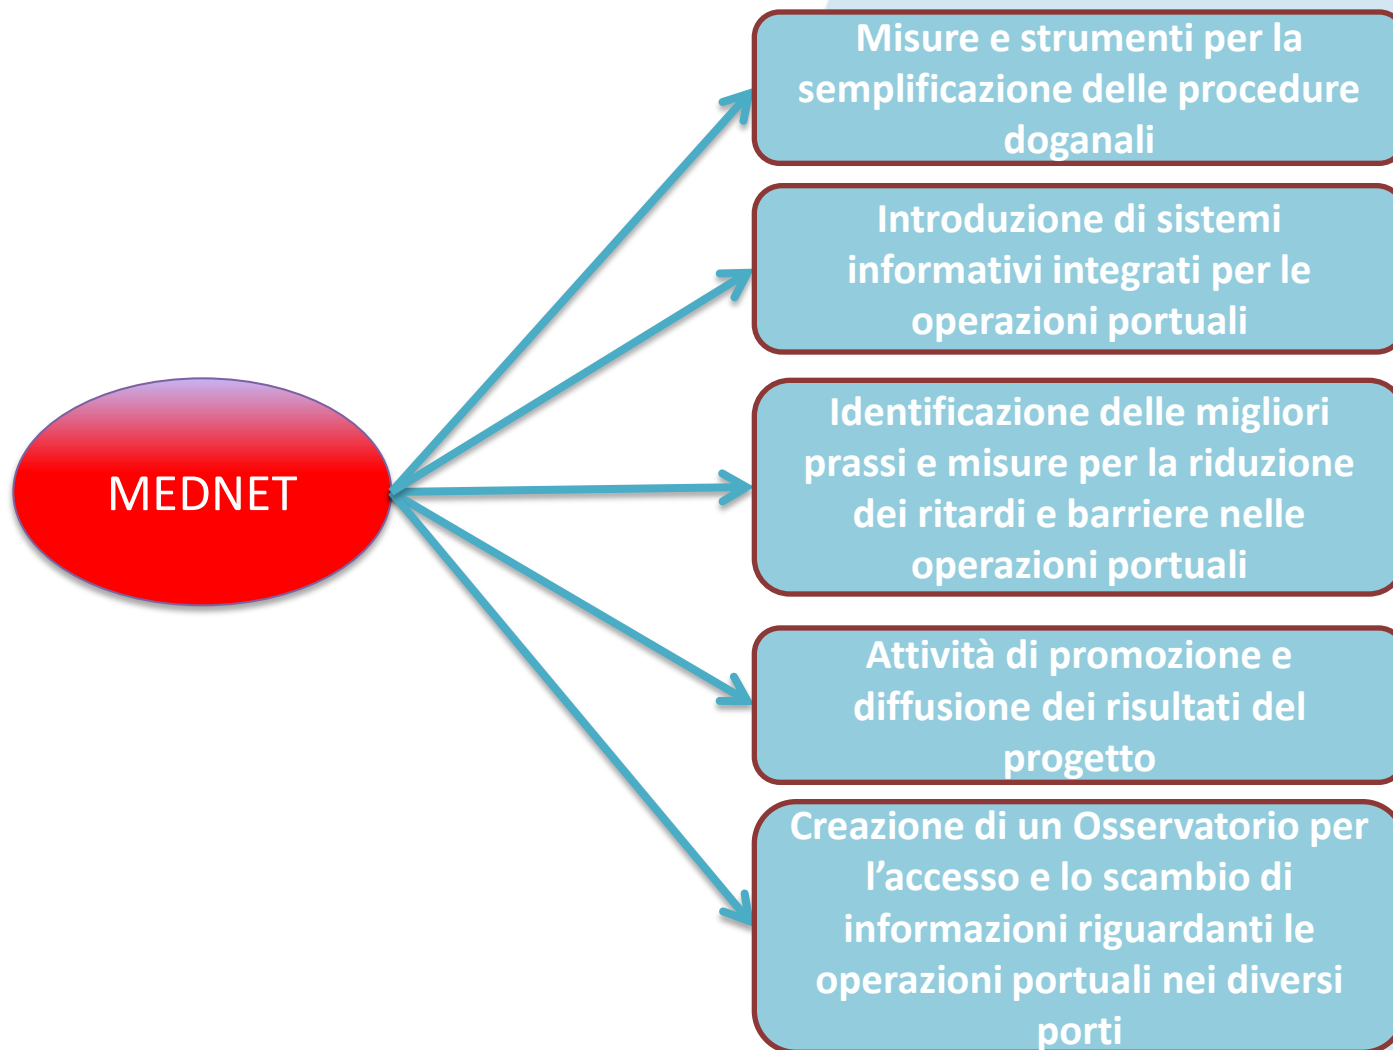

- ✓ Aumentare l'interoperabilità, per una più efficiente ed efficace supply chain ed una maggiore comprensione ed armonizzazione delle procedure portuali e doganali
- ✓ Promuovere l'introduzione di sistemi informatici presso i porti
